Hello everyone,

First, THANK YOU to LADOT for the successful activation of the Vine/Waring traffic signal TODAY. Yay!

Second, apologies for the ultra-ultra-ultra last minute notice, but since the signal is now on, we have decided to do a quick photo op **this Monday morning, 8:00 AM, with students/parents at Larchmont Charter School.**

We are doing a photo op of the Councilmember proceeding across the crosswalk in celebration of this new safety feature. We would be delighted to have any of you join us.

Again, apologies for the late notice, but I wanted to extend the invitation.

Thank you again, and if I don't see you on Monday, have a very happy Thanksgiving.

Best Regards,

Dan Halden
